

## Specialty Cheeses

# AROUND the RIND

### *Sweet Grass Dairy*

#### Thomasville Tomme

560025      5-6 lbs  
Texture: Semi-soft      Milk: Cow

This table cheese and is made in the style of a French Pyrenees mountain farmhouse tome. This natural rinded, semi-soft cheese is aged for sixty to ninety days for a subtle yet complex earthy flavor and creamy texture. Great in a wide range of culinary applications.

#### Green Hill

600049      8/7.5 oz  
Texture: Creamy      Milk: Cow

Green Hill is a double cream, soft-ripened cow's milk cheese made in the style of a Camembert. It has an unctuous, buttery flavor, a thin white bloomy rind, and a smooth, creamy texture.

#### Asher Blue (Preorder)

540063  
Texture: Crumbly      Milk: Cow

Asher Blue has a unique natural rind and creamy-crumbly texture. This Blue has slightly pungent, mushroomy aromas and earthy, grassy flavors with an unexpectedly mild, salty finish.

#### Lil' Moo (Preorder)

540039      8 oz  
Texture: Fresh      Milk: Cow

Lil' Moo is a Fresh Cow's milk cheese distinguished by its slightly yellow tint. Similar to cream cheese, Lil' Moo is spreadable and can be used in many recipes, or eaten one its own.

### *Woodsman & Wife*

#### Jersey Girl

540058      4 lb  
Texture: Semi-Soft      Milk: Cow

This earthy, grayish-brown edible-rind cheese has a semi-soft to firm paste with a nutty flavor. The consistency and flavor can vary drastically, due to time of the year and diet of the cows.

#### Out of the Ashes

540099      6 each  
Texture: Semi-Soft      Milk: Goat

Take a lovely firm goat's milk cheese and give it a bath in a delightful red wine and you have yourself an incredible table cheese. This is the perfect cheese to slice and serve on a cheese board, or to add as an ingredient in an appetizer salad.

#### Fromage Blanc

590062 5 lbs  
Texture: Creamy      Milk: Cow

This artisan blue cheese is blended from three milks: cow, goat and sheep. from the
